As of 10 October, 30 rayons in the republic had completed the harvest of all grain crops, and kolkhozes in 22 rayons had completed threshing of grains. By 10 October, the tobacco picking plan had been fulfilled 102 percent, as compared with 78 percent at the same time in 1948. On 21 October, the republic fulfilled the cotton delivery plan 100.8 percent and is continuing the cotton harvest. The plan for haying, ensilage, and collection of seeds of perennial grasses is near completion. MTSs have completed more work this year than last.
